Year 3

Curriculum Overview

Autumn 1

Maths

We will be learning to recognize and understanding place value up to 100—representing numbers in a variety of ways to deepen understanding. We will aldo be learning to add and subtract 2/3 digit numbers using the expanded column method.

DT

Using different materials to build a sturdy castle.

PSHE/RSHE

There will be discussion around friendships, different feelings and the causes of these and how to manage them.

English

We are going to begin the half term with a strong focus on grammar, punctuation and spelling. We will cover nouns, verbs, and subjects before moving on to single clause sentences and finally co-ordinating conjunctions to join clauses and compound sentences.

Spelling

We will be focusing on the Year 3 common exception and high frequency words.

Science

We will be learning all about muscles, bones and organs in our bodies and their important functions. We will also be learning about nutrition and how to stay healthy.

History: We will start with asking 'when does history begin'. We will learn about the changes from the Stone Age to the Iron Age.

Music

The children will be receiving recorder tuition.

French

We will be learning different

greetings.

PE: yoga

Computing

We will be exploring networks and the internet,

Our Class Books

Theme: Divali

Key Question: Would celebrating Divali at home and in the community bring a feeling of belonging to a Hindu child?

Gestural Drawing with Charcoal

We can make loose gestural drawings with charcoal and explore drama and performance.
